*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, D/S

DATE: 24 April 1953

FROM : Chief, S/TR

SUBJECT: Recommended Restatement of Branch Mission

1. We have reviewed the mission of the Branch, prepared some two years ago, and find that two changes have been made in its responsibilities. Responsibility for pipelines has been transferred to the Petroleum Branch D/M, and construction of permanent installations for transportation facilities has been transferred to the Construction Branch, D/S.

2. We have prepared the attached recommended restatement of the Branch Mission using the format of Regulation No. 1-110, dated 20 March 1953, as apparently required by Regulation No. 1-
